

Q3 Name of company:

Good Green Money

Q4 Company type (eg. Ltd, CIC, sole trader etc.):

Ltd

Q5 What products / services does the company sell?

Financial services / ethical investment advice

Q6 Number of employees:

1

Q10 Company web address:

www.goodgreenmoney.com

Q11 Has the company or any director been fined in the last five years?

No

Q12 Do any directors own more than 25% of another company?

No

Q13 Is more than 25% of your company owned by another company?

No

Q14 How does your product/service provide a measurable social/environmental improvement?

We focus on recommending ethical investments that are environmentally positive and do social good. We give 2% of revenue to our re-wilding foundation CIC. We are a B Corp and adhere to its standards. We take a low carbon approach to running the business.

Q15 Does your business address its direct climate impact?

We use Good Energy as a utility provider, source materials responsibly, and conduct many meetings online or via public transport, all in order to help keep our carbon footprint down.

Q16 Does your business address its indirect impact?

We aim to recommend investment funds that have a positive environmental impact. This could involve obvious choices, such as funds investing in renewable energy companies, or more subtle approaches, like supporting businesses that are improving their energy and water efficiency.

Q17 Do your products avoid common toxic materials/substances?

N/A – industry not subject to this.

Q18 How does your business address workers' rights in its supply chain?

First, we evaluate the ethical standards of the investment firms and their funds. Then, we examine the ethics of the businesses within those funds. Our focus is on companies that foster a positive workplace culture, make ethical decisions wherever possible, consider their supply chains, and comply with human rights principles and codes of conduct.

Q19 How does your business support its employees?

N/A – it's just me.

Q20 Is your company registered in a tax haven?

No.

Q21 Do you produce or retail any animal-derived products?

No.

Q22 Is there anything else you'd like to add?

We receive excellent client feedback and are fully transparent about our charges.

Q23 Confirmation of accuracy and consent:

Yes
